GOLD LADY'S ALBEMARLE.

CLOUDBURSTS TURN THE GRAVESEND TRACK INTO A QUAGMIRE.

Rye Beats Golf Ball, Which Breaks Down Under Pressure—Miss Delaney and King's Plate Winning Favorites.

New York, September 23.—A widely published prophecy that New York would be engulfed by a tidal wave today came near being realized, but in another way. This region was visited by a remarkable rainstorm, a series of cloudbursts which came at intervals throughout the day, it being the heaviest rainfall of which there is any record by the local weather bureau.

The track was converted into a shallow canal, of which the stretch for twenty feet out from the inner rail was nearly impassable, the water being so deep. This strip of bad going the jockeys carefully avoided during the races. The attendance was probably the smallest seen on any race track this season.

Not a single one of the seven attractive races carded was seriously marred by scratchings. First class racing was the rule. The solitary stake feature, the Albemarle for mares, was easily captured by Gold Lady, which started a virtually equal favorite with Tokalon, with which jockey Radtke contrived to get away so poorly as to be practically eliminated as a contender at the start.

The tabular history of the Albemarle Handicap is as follows:

Year.	Winner.	A. Wt.	Jockey.	Val.	Time.
1899	Runaway Girl	112	Spencer	\$1,400	1:09
1900	Ashes	109	N. Turner	1,370	1:02½
1901	Prophecy	104	Shaw	1,430	1:01
1902	Wild Thyme	105	Lyne	1,930	1:07
1903	Funny Side	105	T. Burns	1,650	1:07½
1904	Discontinued.				
1906	Run'g Water	124	W. Miller	2,065	1:50
1907	Gold Lady	107	W. Miller	2,480	1:52½

Run as stakes for two-year-old fillies from 1899 to 1903 and discontinued. Revived in 1906 as a handicap for mares of all ages.

The selling affair at a mile and a furlong, at which the redoubtable little Bovey champion, Rye, and the superlative mudlark, Golf Ball, were engaged, furnished the racing sensation of the afternoon. A tremendous plunge developed on Golf Ball, while the odds against his consistent opponent steadily receded. Their position in the market should have been reversed as the subsequent running of the race showed, but Golf Ball broke down while leading and allowed Rye to suddenly and unexpectedly flash past him on the last turn. Whether the result was affected by the favorite's misfortune or not is open to doubt. The Sullivan clan were scared from supporting their representative with their usual enthusiasm and saw him win an easy race with deep chagrin at their lack of foresight. Golf Ball broke down in the off-broad leg in the same place where he had previously been cut down. Miller's splendid jockeyship was an important feature of the afternoon's racing. Had he not been fouled on the King's Daughter, he would have had four wins to his credit instead of three. Virtually four favorites were successful; no layers lost heavily. They are fast dropping out.

Bannell, the newcomer in the steeplechase division, created a favorable impression in his eastern debut.

Former jockey Simms, who was denied track privileges last week for an alleged misuse of his badge, was reinstated today by P. J. Dwyer.

FIVE LATONIA FAVORITES WIN.

Cincinnati, O., September 23.—Decidedly auspicious was the opening at Latonia. All the necessary concomitants, pleasant weather, a fast track and capital racing were conspicuously evident. Except in one instance there was a notable succession of winning favorites. That exception was when Lexoline, at undeservingly long odds, won from The Minks, Monsignor, The Clansman, Beau Brummel and Harry Scott in a rapidly run mile. Otherwise there was nothing to mar the pleasure of those who pin their faith to first choices.

Coloquy, a very fast filly, and evidently at her best, had little trouble in taking the first race from Frontenac, but Goldproof finished a sorry last. Shirley Rossmore simply ran away from her opponents in the second race, in which Pat Dunne's Mackerel put up an unexpectedly poor performance. Lady Carol repeated her recent Lexington success, and scored easily from Miss Strome in the third. The latter ran an excellent race and is to be reckoned with hereafter. Pinkola won the fifth race in a canter, and Onardi confirmed his recent good form by easily disposing of Scalplock in the final contest of the day.

MAHER LEADING AVERAGE INCREASES

The winning jockey list of England up to September 10, is given below. Though Higgs leads with 101 wins, his winning percentage is hardly 20, while Maher is the real leader with an average of 25.43. The figures follow:

Higgs, W.	506	101	Griggs, Walter	248	28
Maher, D.	291	74	Robertson, W.	135	26

Chestnut colt, by Reliable—Orithia; W. Halligan	60

ARTILLERY DEAD IN KENTUCKY.

Edward Corrigan's Australian bred stallion, Artillery, by Musket—Ouida, by Yattendon, died at Thorndale Stock Farm, near Lexington, Ky., Saturday, September 14. Artillery was foaled in 1883, and so was well along in years, as the age of a horse goes. His was a much-prized line of ancestry, and his daughters should prove valuable broodmares. He was the sire of a number of good racers in this country. Alma Dufour, Shot Gun and Ardena ranking well in his list of winning representatives.

YOUNG STARS WIN RICHEST PRIZES.

Two and Three-Year-Olds Have the Best Opportunities Yearly.

The majority of the greater prizes of the turf fall to two-year-olds and three-year-olds. The opportunities of older horses are limited in comparison. It is true that a superlatively great four-year-old, or older, might sweep the majority of big handicaps, weight-for-age stakes, and such exceptional events as the Century and Annual Champion, and thereby amass a sum in excess of any won by a younger competitor, but such a horse has not arrived. The racing of the last five years affords the following illustration, the examples showing the greatest money earners of each year:

Year.	Four-year-olds and over.	Gold Heels.	Val.
1902	Four-year-olds and over, Gold Heels	\$26,120	
	Two-year-olds, Major Daintierfield	57,685	
	Two-year-olds, Savable	46,100	
1903	Four-year-olds and over, Waterboy	57,775	
	Two-year-olds, Africander	70,810	
	Two-year-olds, Hamburg Belle	47,125	
1904	Four-year-olds and over, Colonial Girl	49,635	
	Two-year-olds, Delhi	75,225	
	Two-year-olds, Artful	57,895	
1905	Four-year-olds and over, Beldane	26,830	
	Three-year-olds, Sysonby	144,350	
	Two-year-olds, Burroughs	53,500	
1906	Four-year-olds and over, Go Between	38,200	
	Three-year-olds, Accountant	83,570	
	Two-year-olds, Electioneer	53,701	

The record of this year is not complete, but it is positively assured that its chief honor will fall to a two-year-old. Collin is so far in advance of all other horses of the year that he is bound to be the chief money winner of 1907. To date the records of the three most successful horses of the different ages are:

Four-year-olds and over.	Nealon	Val.
Three-year-olds, Peter Pan	\$6,780	
Two-year-olds, Collin	106,791	

It will be observed that in only one of these years, 1903, did a horse of four years or older succeed in even splitting the two younger ages in earnings. Then Waterboy won \$3,685 more than the two-year-old, Hamburg Belle, but was himself \$20,635 behind the three-year-old, Africander. The obvious conclusion is that the stake offerings of racing organizations of the country are not well proportioned in their division among the different ages.

THIRTY LEADING JOCKEYS.

Walter Miller did very well last week in adding eight winning mounts to his total of 1907, but the little boy Pickens did as well with an equal number of wins at Lexington. Next in line came Shilling, with six successes and E. Dugan with five. J. Lee made a poor showing at Toronto with riders up to and including last Saturday, their percentage and races won last week are as follows:

Jockeys.	Mts.	1st.	2d.	3d.	Unp.	P.C.L.W.

THE "STUFF" BURLEW IS USING.

"What a curious thing it is to note the different views held by different persons," says Sports of the Times. "You may wish to pay a man a compliment and go out of your way to do it, but it is not 20 to 1 he does not misunderstand you and take it as an insult. A mild case of this was nearly precipitated a few days ago when William Easton was selling a rather pretty filly, Fred Burlew, and said: 'Take her Mr. Burlew, and when you have given her the stuff that stuff you have been using, she will astonish your friends who are now passing her along.' Of course there was a roar of laughter at Burlew's expense. Mr. Easton, however, was simply alluding to a new colt food which Mr. Burlew had been trying—and many others—with marked success. Fortunately Easton and Burlew are the best of good friends, and the matter passed with a laugh. Which is best, for: 'He who offends writes on the sand, but he who is offended writes on marble.'"

ALFRED NOBLE A STRIKING COLT.

New York, September 23.—That Alfred Noble is one of the best two-year-old colts in training was the general verdict of expert turfmen after he had taken the measure of Fred Cook's Lawrence P. Daley. Alfred Noble is a big strapping son of Garry Hermann—Ethel Pace, by Troubadour, out of Sunbeam. He weighs all of 1,300 pounds and looks every inch a racehorse. He is being pointed for the later two-year-old and all age stakes of the fall.

SANTA ANITA WORK IS SMART.

Constructor Allen Has Ordered Steel and is Using 200 Teams.

Los Angeles, Cal., September 23.—Work on the new Santa Anita track is going on. The contracts for steel have been let and fully 200 teams are finishing up the grading. The track is promised for racing December 1 by A. N. Allen, the constructor. W. J. Brooks, who was George Rose's right-hand man at Ascot Park, will not manage the Santa Anita track or hold any responsible position with it. He has been virtually barred by the Pacific Coast Jockey Club. The track's manager will probably be Jack Atkin, so long associated as bookmaker and owner with Barney Schreiber.

There is some talk, too, about Dr. J. S. Gardner, president of the Kansas City track, being associated with the management, and Lyman Davis of Louisville being made secretary. Colonel A. W. Hamilton will probably be presiding judge. The tract of land was purchased by the company for \$1,000 an acre. The site includes rather more

Colloquy, showing her usual good form, ran into a long lead at once and, maintaining her speed well throughout, won well in hand. Frontenac had a slight advantage at the start and, following the winner closely throughout, put up a good performance and was best of the others today. Lady Esther was out-paced in the early stages, but came fast through the stretch and wore down the others for third place. Hannibal Bey ran well. Ben Strong was a sharp factor in the early stages, but tired after going a half. Goldproof ran far below his best form and failed to show much speed.

Winner—Ch. f. by Bendoran—Tardy (trained by J. C. Milam).

Went to post at 2:20. At post 2 minutes. Start good. Won easily; second driving; third the same. Shirley Rossmore, away fast and showing much the most speed, took a long lead at once and never left the result in doubt. Uncle Tim, badly ridden, ran a good race and was a close contender most of the way. Moscow Belle began slowly and suffered from some interference on the first turn, but finished fast when clear and ran a good race. Sabado closed a big gap in the last quarter and will improve. Mackerel ran far below his best form and can do much better. Mondella showed speed for a half and tired as if short. The winner was entered for \$500; no bid.

Scratched—71045 Orlandot, 100; 71030 Hon-ta, 97; 70705 Maxton, 99; 71030 Vansell, 100.

Time, 24, 48½, 1:14½.

Winner—B. f. by McNeill—Canella (trained by W. L. Lewis).

Went to post at 2:58. At post 3 minutes. Start fair. Won handily; second driving; third the same. Lady Carol, showing good form and away fast, showed the most speed and, setting a fast pace all the way, stood the final drive gamely and won drawing away. Miss Strome improved her position steadily, but was swerving in the last furlong and but for this might have won. Dulcinea was right there most of the way and put up a good performance under indifferent riding. Javaneese ran fairly well and will improve. Devout seemed to sulk and was away poorly, but closed a big gap and should have been a dangerous factor. Coon showed speed for a half. Stoner Hill had no mishaps. Miss Kitty can do better. The winner was entered for \$800; no bid.

Scratched—67897 Bitter Miss, 102.

Overweights—Dulcinea, 24 pounds.

ANSWERS TO QUERIES.

[Communications without names and addresses of senders will not be answered or noticed; nor will any answers be sent by mail.]

H. C. R., Chicago. Please and Marbles belonged to the same person and if entered in a race together, would be an entry to be coupled.

John E. C., Chicago. In the Premier Stakes at Hawthorne, July 18, 1904, Tokalon was first, Miss Crawford second and English Lad third.

J. C. B., Cleveland, O. Reduced to ordinary terms, the prices in your statement are 4 to 5 Johnson, even money Burton, making Johnson the favorite decidedly.

A. J. W., Chicago. Neither Duke of Orleans, Orchan nor Ethel Day won in the last week of the Seattle meeting. Duke of Orleans and Orchan won races in the course of the meeting; Ethel Day did not.

T. F. F., Chicago. The horse that ran against Rosen when the latter was the 1 to 50 favorite, was the two-year-old Beauclere. This was when Rosen ran seven furlongs in 1:22 and won by twenty lengths.

T. Y. Z., Chicago. It was overlooked that Please was a part of a coupled entry with no separate price laid. If Please had run unplaced the decision that the parlay was void as to her would have seemed just to you. It works both ways.

NOTES OF THE TURF.

Harry Kuhl is still confined to his bed at the home of his mother, 208 Granite Street, Pueblo, Colorado. His health is not improving.

A. T. Vandevanter, the man who owned the Seattle race course and other valuable property in Seattle, was recently killed in an automobile accident.

W. K. Vanderbilt is steadily forging to the front among the winning owners of the French turf. He has a number of very useful, if not great horses, among them North East, Cornstalk and Omega. They are all winning races with regularity.
